

900T-030-100

Hex Screwdriver with T-Handle Grip
3 mm x 100 mm

PRODUCT DETAILS

- T-handle screwdriver for hexagonal head screws
- Dual-component soft grip handle provides extra comfort and reduces pressure points in the hand
- Markings on the handle for quick identification of the tip
- Black finish tip for higher accuracy and chrome plated blade for high protection against corrosion
- Long blade to use as a T-shaped wrench. Provides high-torque transfer. The long blade allows to apply a controlled torque and provides an easy access to screws requiring depth
- The short 90° blade is used for extreme torque or to work in areas where height is limited
- Integrated hanging hole
- Part number and tip size laser marking on the blade
