

BH6FC2000
Foldable crane, 2T

PRODUCT DETAILS

- 2T foldable crane for lifting and supporting a wide range of heavy vehicle parts, such as engines, transmission boxes, etc.
- 4 fixed positions of the lifting arm: 2,000, 1,500, 1,000 and 500 kg
- High flexibility and broad application area:
- Minimum entry height: 130 mm
- Maximum hook height: 2640 mm
- Foldable legs enable compact storage of the crane when not in use
- Dual piston system decreases the number of necessary strokes by 50%
- Heavy duty steel castors ensure excellent durability
- Swivelling PU pump lever for easy and comfortable pumping from any direction
- Increased safety due to the "dead man" safety mechanism, overload valve, swivel safety hook, etc.
- CE certified according to Directive 2006/42/EC and BS EN1494
