TORX® Screwdrivers with Precision Grip T4-T20

PRODUCT DETAILS

- For TORX® head screws
- Phosphate finished tip for higher accuracy and chrome-plated blade for high protection against corrosion
- Specially designed screwdriver for precision work, especially for mechanical and electronic applications
- Two-component handle with soft grip material for fast and comfortable screw driving
- Cap in different colours and markings on the handle for easy identification of the tip
- High-performance alloy steel blade, chrome-plated and entirely hardened
- IP: Industrial pack
- Two-component handle ensures comfortable grip and transmits high torque to the blade
- Rotating head allows a fast, precise and comfortable finger movement during turning
- Precision machined phosphate finished tip guarantees high accuracy and precision fitting
