

P116-SL-50
35 mm Professional Super Light Bypass Loppers with Aluminium Handle and Counter Blade 500 mm

PRODUCT DETAILS

- Professional blade design with an evolving bevel for an easy cut in tough wood
- Lightweight aluminium handles with in-tube assembled blade and counter blade for easy maintenance
- Spare parts available
- Rubber shock absorbers for less fatigue and increased comfort
- Central bolt locking system
- Light lopper designed for use in vineyards, orchards and for landscaping activities
- Comfortable, lightweight, extra-long, strong, strain-resistant aluminium handles
- Less fatigue with the properly balanced design
- Easier and excellent cutting performance in tough wood thanks to the two edged radii blade with evolving bevel
- Centre bolt locking system prevents blade loosening
