

BE-9890SL
ERGO™ Slim VDE Insulated
Screwdriver Set with 3-Component
Handle for Electric Racks and
Terminals - 2 Pcs

PRODUCT DETAILS

- Slim blade screwdriver set, 2 pieces for plus-minus terminal screws, slotted/Pozidriv head screws
- Includes BE-8710SL and BE-8720SL insulated ERGO™ combi tip screwdrivers
- Screwdriver developed according to the scientific ERGO™ process
- Phosphate finish tip for higher accuracy, provides precise fit with no flaking
- three-component handle for maximum user comfort, soft material with ridged surface provides superior grip and greater force transmission
- Easy to choose the right tip with the colour-coded handle and permanent symbol on the domed end
- Flat face to prevent rolling
- Integrated hanging hole
- High quality blade insulation moulded directly onto the blade
- Blades are 30% slimmer than regular insulated blades for better accessibility
- For work on live equipment, up to 1000 V
- Individually inspected and manufactured according to IEC 60900, tested in a water bath at 10000 V
- In info card
