

**1477K8**  
**26" E77 Premium Storage HUB Tool**  
**Trolleys with 8 Drawers**

**PRODUCT DETAILS**

- 8 drawers heavy-duty tool trolley is based on a solid steel dual-walled case construction
- The unique one DAAT-system ensures that only one drawer can be opened at a time avoiding any risk of tilting
- Fully opening drawers with individual shock-protecting corner bumpers
- The pivoting latching system avoids open the drawers unintentionally
- Wheels with dual braking system secure the trolley solidly to the ground, preventing movement in any direction
- Unrivalled customization possibilities thanks to perforated side panels and top specific design
- Xpand accessories modular system available to provide the end-user the option of configuring the perfect workstation
- Ultimate locking system with electronic access control available
- Scratchproof powder coating outside and inside assures a high protection against rust
- Dual-walled case ensures that the drawers always open after a collision damages the outside wall
- Replace the standard composite top with stainless steel, MDF or chestnut wood for the handling of any job
- A wide range of Fit&Go ready-to-use foam inlays with tools is available
