

P51-SL

Heavy Duty Lightweight Hedge Shears with Aluminium Handle

PRODUCT DETAILS

- Fully-hardened blade
- Partly serrated edge for cutting up to 10 mm (1/2") thick branches
- Lightweight aluminium handles with smooth plastic grips
- Reduced fatigue through superior cutting performance and very comfortable handling
- Rubber shock absorbers for less fatigue and increased comfort
- Spare parts available
- High-quality shears for professional use in parks, topiary gardens and nurseries
- Fully-hardened, very sharp, precisely ground blades ensure a continuous clean cut
- Easier cutting of thicker (10 mm, 3/8") branches with the serrated section of the blade
- Comfortable, lightweight, strong, strain-resistant aluminium handles
- Centre bolt locking system keeps blades perfectly aligned
