

2600-22-XT-HP

ERGO™ Superior™ Saw for Plaster/Boards of Wood Based Materials 9/10 TPI 22"

PRODUCT DETAILS

- Handsaw developed according to the scientific ERGO™ process
- Ergonomic and well-balanced product, designed to fit perfectly in the hand with superior handling and comfort when sawing
- Handsaw for cutting medium-thick wood materials, with improved cutting range from fine to coarse
- Unique NXT teething cuts smoother and straighter still with same cutting speed and long-lasting hardpoint teeth
- Thicker blade for increased stability and precision
- Low-friction, rust-protective coating
- Screwed three-component handle can be used for approximate 45° and 90° marking guide
- Maximum comfort with minimum effort due to the ergonomic design
- Comfortable three-component handle giving an excellent grip with 45° and 90° marking guide
- Longer lasting sharpness from the unique hardpoint NXT teething
- Increased stability and accurate cutting from the thicker blade
- Easier cutting from the low-friction rust-preventative coating
- For cutting medium material
