

BH4B Premium Hydraulic Bottle Jacks

PRODUCT DETAILS

- Designed for intensive and heavy duty use and high demands
- Suitable to work in vertical and horizontal position
- Larger base for increase stability
- Hard chromed lifting piston with nickel plating finish provides longer durability
- Welded structure ensures best performance and prevents oil leakages
- Steel forged base for great wear and impact resistance
- Extension screw (N/A BH4B20 & BH4B30) allows precise height adjustment
- Serrated saddle provides a secure lifting grip
- Safety valve prevents the ram from being overextended, which would cause damage to the piston
- Operating conditions: -20°C to 50°C
- CE certified by Official Independent Technical Inspection Association
