

P51H-SL
Heavy Duty Extra Long
Lightweight Hedge Shears with
Aluminium Handle

PRODUCT DETAILS

- High-quality shears for professional use in parks, topiary gardens and nurseries
- Fully-hardened, very sharp, precisely ground blades ensure a continuous clean cut
- Easier cutting of thicker (10 mm, 3/8") branches with the serrated section of the blade
- Comfortable, lightweight, extra-long, strong, strain-resistant aluminium handles
- Handles with smooth plastic grips
- Reduced fatigue through superior cutting performance and very comfortable handling
- Centre bolt locking system keeps blades perfectly aligned
- Spare parts available
